Patient Signature _____ Date ____/____/____

Bodytech Acupuncture & Sports Medicine
109 Hinton Ave. #10 – Wilmington, NC 28403 – (910) 200-8806

I, _____, hereby authorize the private practitioners of Bodytech to perform the following specific procedures as necessary to facilitate my diagnosis and treatment:

Acupuncture: insertion of special disposable needles through the skin into underlying tissues at specific points on the surface of the body.

Massage: Manipulation of tissues as by rubbing, stroking, kneading, or tapping with the hand or an instrument for therapeutic purposes.

Heating Lamp or Pad: produces heat on the acupoints and meridians.

Electrical Acupuncture: use of electrical device to produce electrical stimulation on the acupuncture needles.

Herbs: may be given in the form of pills, powders, tinctures, pastes, or plasters. Herbal formulas may include shell, mineral, and animal materials.

Moxa: indirect burning on an acupoint using stick, string, or ball moxa to relieve symptoms.

Dietary Advice: based on traditional Chinese Medical Theory.

I recognize the potential risks and benefits of these procedures as described below:

Potential Risks: discomfort, pain, infection, or blistering at the site of the procedure; temporary discoloration of the skin; nausea, loose bowel movements, abdominal cramping; and aggravation of the symptoms prior to the acupuncture treatment.

Potential Benefits: drugless relief of present symptoms and improved balance of bodily energies, which may lead to prevention or elimination of the present problem and the strengthening of the constitution.

Notice to Pregnant Women: We do not use labor stimulating acupuncture points unless specifically for the induction of labor. A treatment to induce labor requires a letter from the primary care provider authorizing or recommending such a treatment. All female patients must alert the practitioner if they know or suspect that they are pregnant.

With this knowledge, I voluntarily consent to the above procedures, realizing that no guarantees have been given to me by Bodytech Acupuncture & Sports Medicine or any of its personnel regarding cure or improvement of my condition. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I understand that a record will be kept of my health services provided to me. This record will be kept confidential and will not be released to others unless so directed by myself or my representative or if it is required by law. I understand that I may look at my medical record at any time and request a copy of it by paying the appropriate fee. I understand that my medical record will be kept for a minimum of three years, but no more than eight years after the date of my last treatment.
